THAT MORN-
ING LAMENESS

If you are lame every morning, and suffer urinary ills, there must be a cause. Often it's weak kidneys. To strengthen the weakened kidneys and avert more serious troubles, use Doan's Kidney Pills. You can rely on Louisa testimony.

M. Ferguson, plumber and painter, Louisa, says: "Some years ago my kidneys got in bad shape and I suffered much pain when passing the kidney secretions. There would be some sediment in the secretions, too. My back had a dull kind of pain in it and it was about all I could do of a morning to dress myself. I was so lame across my back, I have done much hard work in my time and followed the painting trade. I blame the smell of turpentine for the starting of my trouble. Finally, I got to reading about Doan's Kidney Pills, so I went to the Louisa Drug Store Co. and got three boxes. I used them until my troubles left me. Doan's Kidney Pills toned up my system generally and I couldn't recommend a better remedy for kidney trouble than Doan's Kidney Pills."
